RESPONSE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

February 28, 2008

Sir:

Responsive to the Restriction Requirement mailed on January 31, 2008, the following remarks are made:

The Examiner indicated that there are more than one species of the generic invention and required applicants to elect a particular species from claims 2 and 3. In response to the election of species requirement, Applicants elect "viruses" in claim 2 and "influenza virus" in claim 3, in the event that no generic claim is finally held allowable.

It is believed that the claims 1-8 read on the elected species.

This response to the election of species requirement is made with traverse. Reconsideration is therefore respectfully requested. It is believed that the differences of species is not such as to require separate examinations. Accordingly, it is urged that, in the interest of efficiency in prosecution, all the species be examined together.

D. FEES

This response is being filed within the shorted period for response. No further fee is believed to be due. If, on the other hand, it is determined that further fees are necessary or any overpayment has been made, the Commissioner is hereby authorized to debit or credit such sum to Deposit Account No. 02-2275.

Pursuant to 37 CFR 1.136(a)(3), please treat this and any concurrent or future reply in this application that requires a petition for an extension of time for its timely submission as incorporating a petition for extension of time for the appropriate length of time. The fee associated therewith is to be charged to the above-mentioned deposit account.

An early and favorable action on the merits is earnestly solicited.

Respectfully submitted,

LUCAS & MERCANTI, LLP
